*Please note that this project is *not* an official UEFA Euro 2016 event/ guide.

THE MAP

With our network of 19 partners, representing different nations and cultures, we have created a map of Seattle where individuals can find places to watch the matches, and enjoy special prices and deals while watching the matches at select locations!

The fold-out map will display our partner locations by neighborhood, as well as a list of the tournament and match times. This map will also include a passport that will be stamped when individuals frequent select locations.

3,000 guides will be distributed to our partner locations, as well as at general information locations, select hotels, etc. The guide will be also available on our website to print at home!

This guide is for Seattle soccer lover, our members, and the general public.
